

Covid – 19 Guidelines:

Guidelines for Domestic travel by Ministry of Health and Family welfare.

Passengers must follow required health protocols, as detailed below, during their travel:

- Passengers should self-monitor their health and travel only when they have no symptoms related to COVID-19.
- All passengers shall follow COVID appropriate behavior at all times which includes use of mask/face cover, hand hygiene and physical distancing of six feet as far as feasible. Masks/face covers must be worn properly to cover nose and mouth. Touching the front portion of mask/face covers to be avoided.
- Avoid spitting in public places during travel.
- All passengers shall be advised to download Aarogya Setu app on their mobile devices.
- If they develop fever during travel, they shall report to the crew.
- Passengers should follow hand hygiene and respiratory hygiene (such as covering the mouth with elbow while coughing) at all times.
- If they develop symptoms after reaching their final destination, they shall inform the District Surveillance Officer or the State/National Call Center (1075).
