## List of Other Prohibited Items:

- For safety reasons, you cannot carry E-Cigarettes.
- Power Bank is not allowed in the Check-in baggage. You may carry in the hand baggage.
- As per the notice issued by the Bureau of Civil Aviation Security Government of India, passengers boarding an IndiaOne Air aircraft will **not** be allowed to carry in their hand baggage or on person liquids, gels or aerosols which include beverages, shampoo, suntan lotion, creams, tooth paste, hair gels, hair spray, liquid cosmetics or any other items of similar consistency, exceeding 100ml, except medicines, inhalers accompanied by prescriptions and baby food. These items will be carried in a clear transparent re-sealable one litre size plastic bag and will be subjected to the prescribed screening and security checks.
- IndiaOne Air suggests that all medication, valuables, delicate objects, perishable products and precious items (cameras, jewelry, money, electronics, etc.) should be transported in Cabin Baggage and not in Checked in Baggage. IndiaOne Air does not take any kind of responsibility for these goods and items.
- As per Indian law, Passengers travelling on flights with point of origin and destination both being within India, on an Indian registered aircraft are permitted to carry a 'Kirpan' in person. The dimensions of the 'Kirpan' must not exceed a total maximum length of 9 inches (22.86 cms), including the length of the blade not exceeding 6 inches (15.24 cms) and the length of the handle not exceeding 3 inches (7.62 cms). Exceeding the above dimension, Carriage of 'Kirpan' is not permitted in the cabin of an aircraft either on person or in the Hand Baggage on any Domestic flight. The same must be carried by the passenger in the checked-in baggage only.

*\*\*The contents will be screened and security checked and must adhere to IndiaOne Air's security requirements on allowed objects. \*\**

## Illustration of strictly prohibited items
